## ABOUT US

Located in Tampa, Florida, Millwork 360 was founded with one core purpose in mind: To create custom moulding and doors that reflect the highest degree of superior quality. Our commitment to clients—and to exceptional craftsmanship—allows us to fulfill any residential or commercial project's needs across the Southeastern United States.

## OUR STANDARDS

At Millwork 360, we uphold several standards to be the most dependable source for precise, beautiful and durable products with short lead times and on-time deliveries.

### SERVICE

Our team is always available to ensure your questions are answered, your deliveries are on time, and your products are to your satisfaction – guaranteed.

### FACILITY

Our 80,000 square-foot computerized rough mill combines cutting-edge machinery with leading optimization software and defect scanner technology to maximize material yield.

### INVENTORY

Our inventory consists of thousands of feet of the finest quality hardwood and softwood boards, allowing us to expedite most orders and guarantee superior products.

## OUR PRODUCTS

Millwork 360 specializes in creating wood products that are tailored to each customer's specific needs. Our mouldings and doors are created built-to-order, yet maintain competitive pricing.

**IMPACT360**

**AWI** ARCHITECTURAL  
WOODWORK  
INSTITUTE  
**QUALITY  
CERTIFICATION  
PROGRAM**

We're quality certified for Premium Grade Stile and Rail Doors, Factory Finishing and Premium Grade Moulding's

### MOULDING

Millwork 360 specializes in creating bold, beautiful mouldings that are tailored to each customer's specific needs:

- We have over 5,000 moulding profiles in stock, which are available in over 30 different species.
- Scanned with state-of-the-art equipment, our custom mouldings are 99 percent defect free and manufactured with minimal waste.
- We are capable of creating any custom profile to help design unique spaces.

### EXTERIOR DOORS

From sleek and modern to timeless and traditional, Millwork 360 creates custom exterior doors that add instant curb appeal and leave a lasting first impression:

**IMPACT360**

- Our industry-leading machinery ensures the highest degree of precision in stile and rail manufacturing.
- We partner with the finest hardware and glass suppliers in North America to guarantee the quality you deserve.

We're certified to build Impact Rated 1-3/4" and HVHZ 2-1/4" wood doors that protect you from heavy winds, rain and flying debris

### VILLACREST™ INTERIOR DOORS

VillaCrest™ Interior Doors provide a contemporary look with crisp, clean lines and boldly defined styles:

- Each door is precision-crafted with distinct, architecturally correct joinery that results in greater depth definition.
- We offer 24 standard style options for both paint and stain grade applications, as well as 13 integral or applied sticking profile options.
- Eco-friendly door cores are made from recycled wood by-products.

### MASTERGRAIN™ DOORS

In addition to the products we manufacture in-house, we also proudly distribute MasterGrain products.

- MasterGrain products are a premium line of fiberglass door system components featuring the most authentic wood grain replication in the door industry.
- MasterGrain uses only top quality materials and construction techniques to produce among the best fiberglass doors in the world.
